Character and Efficiency on 31st December yearly, on final discharge and other occasions, prescribed by regulation. If recommended for Re-engagement or for Medal and Gratuity, R.R. or "R.M.G." to be awarded on 31st December and final discharge; if not, a line to be drawn across column.

Note as to Method of assessing Efficiency.

Superior—above average efficiency  
Satisfactory—average efficiency  
Moderate—less than average efficiency  
Inferior—inefficient

in substantive rating,  
without regard to  
fitness for  
advancement.

Variations in efficiency are often explained by the fact that the man had recently been promoted—see pages 2 and 3—and had not gained sufficient experience in his new position to justify a higher award than that actually assessed.
